Summary

Hi!

My name is Joel and I have always had an interest for programming. It is one of my greatest passions in life and will always be!
I always strive to learn something new whenever I get the chance to do so.
The fun part about programming is that you can learn so much interesting information in very short time. When it comes to how much you know about development or different techniques, there will Always be something new to learn about in Application / Mobile / Web development and that's what's keeping me interested in my work.

I have worked with
* C#
* .NET
* ASP.NET
* WPF
* WCF
* MVC 3
* MVC 4
* Windows forms
* Web forms
* Application development
* Mobile development
* SQL Server
* Oracle Server
* Mysql Server
* Visual studio
* Html
* XML
* XAML
* Razor
* Jquery

* Javascript
* Entity framework
* Linq to Entities
* Linq to SQL
* Net.core
* Asp.net core
* Entityframework core
